

MILLS

Required Institutional Stipulation Statement

- a. Mills College is using the review process to demonstrate its fulfillment of the two Core Commitments, that it will engage in the process with seriousness and candor, that data presented are accurate and that the Institutional Presentation will fairly present the institution.
- b. Mills has published and publicly available policies in force as identified by the Commission. Such policies will be available for review on request throughout the period of accreditation. Special attention will be paid to the institution's policies and recordkeeping regarding complaints and appeals.
- c. Mills will abide by procedures adopted by the Commission to meet United States Department of Education (USDA) procedural requirements.
- d. Mills will submit all regularly required data, and any data specifically requested by the Commission during the period of Accreditation.
- e. Mills has no off-campus programs or distance education degree programs.
