The MetLife dental plan only offers student coverage. No family dental coverage available.

Medical coverage is being provided by Kaiser Permanente. Students may choose to enroll family members for medical coverage only.

Definition of Types of Coverage:

Student Coverage - is health insurance coverage for the student only.

Student & Spouse Coverage - is health insurance coverage for both the student and his/her spouse/domestic partner both same or opposite sex.

Student & Children Coverage - is health insurance coverage for the student and his/her children. Children are defined as one whom you properly claimed as a dependent on your most recent federal tax return. Coverage can be for one child or more.

Student & Family - is health insurance coverage for the student and his/her children including spouse/domestic partner.
