MILLS COLLEGE

APPLICATION FOR AUDITOR STATUS

To the auditor:

Approval for auditor status is not admission to Mills College, nor does it allow use of student facilities such as pool, lockers, tennis courts. You are under the authority of the instructor, but no grade or credit for the course is allowed. Because auditor records are not maintained, it is not possible to obtain a Mills College transcript. It is also not possible to audit a course and later petition to receive credit for it.

The cost to audit a course is ½ the tuition rate per credit.

Please complete the following information, obtain the necessary signatures in the order indicated and return this application to the M Center/Academic Records. This form must be received in the M Center by the end of the 2nd week of instruction in the term.
