

Mills College Declaration of Major Form

Notes and Instructions

1. Fill out Section I of this form in consultation with your chosen major advisor. If your major has a concentration, please check the appropriate box under your major selection.
2. If you have transferred courses to Mills, your advisor will review these courses to determine which course(s) may be placed into your major. These courses must be listed in Section II below.
3. **Double Majors:** If you are declaring a double major at this time, you must obtain the signatures of both major advisors in Section IV of this form. If you have already declared a major and are now declaring a second major, please check "Double Major" in Section I below and obtain the signature of the 2nd major advisor only. If you are a financial aid recipient, please consult with a financial aid counselor regarding the duration of your financial aid eligibility.
4. You must declare your major by the end of your sophomore year or, if you entered Mills as a junior, by the end of your first semester.
5. Courses used to fulfill the major may not be duplicated in your minor. For double majors, you must complete at least 10 unduplicated courses in each major.
6. If you have already declared your major and are requesting a different major advisor, please submit the **Change of Advisor Form** available in the M Center and online.
7. Your major sequence is governed by the catalog in use at the time you entered the college.
