[Business Degrees for UC Berkeley Students](#)

Mills students create impact by participating in the [Net Impact Chapter at the Lorry I. Lokey School of Business and Public Policy](#). In addition to producing an annual conference in partnership with our Center for Socially Responsible Business, students take action throughout the year with activities and events that help promote social and environmental change.

Our Graduates Make a Statement.

Ayela Mujeeb, MPP/MBA '12
Program Manager (Urban Planning)
Native American Health Center

"My knowledge of business and policy has given me a rare perspective on the breadth of applicable solutions in both private and public sector decision making."

Hernando Buitrago, MBA '15
Marketing Manager
Realm Inc.

"At Mills I found a community that believes in creating shared values for business and society."
